PROJECTS

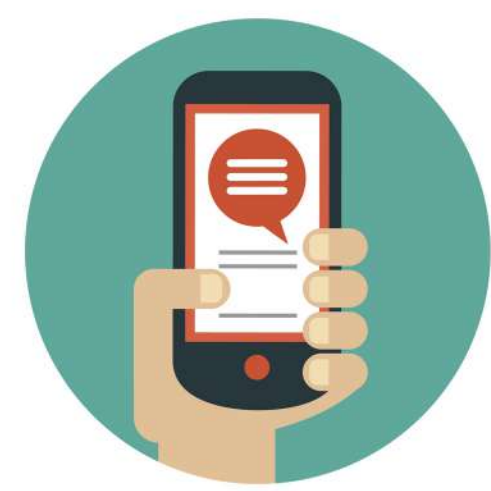

MY BOOKSHELF PROJECT:

In this project patrons could browse in our website, Select their books and add them to their shelves; Rate it, write a review and share with others

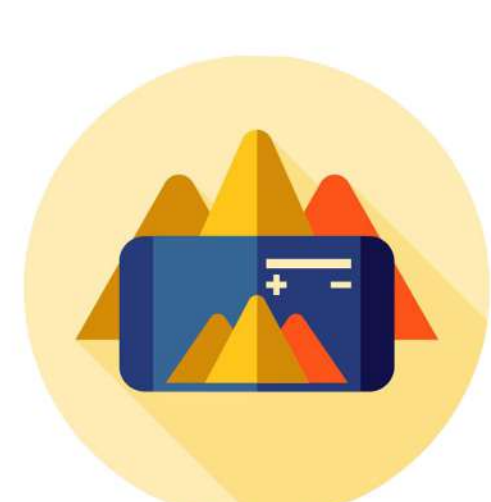

DIGITAL STORY PROJECT:

Establishing a channel for sharing Digital Stories
Everybody could tell their stories and experiences in multimedia format

AUGMENTED REALITY (AR) :

Augmented Reality Becoming use in libraries is more widespread. We have a world map in our library. We would like to superimpose virtual components such as flags, animals, music of countries, national library and famous writers and novelists and their favorite book in kids and teens literature field, on it!
